On January 28, 2008, Games Workshop announced that it would close Black Industries -- thereby discontinuing Dark Heresy and all the other games published by the subsidiary -- to allow them to focus on the commercial success of their novels and core tabletop miniature wargame business. The core rulebook recommends players receive 200 XP for every four hours of play, so players can usually purchase a new skill or two after each session. The Game Master's Kit - A game master's screen for Dark Heresy and a 32-page booklet that includes a pre-written adventure, xenos generator, and new rules for poisons and toxins. Battle Sisters - This career was added to the roster in Blood of Martyrs, it differs from the Adepta Sororitas as income has been modified and it allows characters to start with the common Sister of Battle weapons and armour.
